

## **Student Complaints regarding Offensive or Discriminatory Conduct in Interviews or Hiring**

### **Texas A&M University Notice of Nondiscrimination**

Texas A&M University provides equal opportunity to all employees, students, applicants for employment or admission, and the public regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, or gender expression. Texas A&M University will promptly investigate all complaints of illegal discrimination, sexual harassment, and related retaliation in accordance with applicable federal and state laws.

### **Equal Opportunity Obligation of Employers Using Law School Facilities**

The programs and services of the Office of Career Services (OCS) are available only to those employers whose hiring practices conform to the nondiscrimination notice of Texas A&M University.

In compliance with the policy of the Association of American Law Schools, the American Bar Association and the National Association of Law Placement, the Law School is obligated to require and does require that employers using the school's facilities provide students and graduates with equal opportunity to obtain employment. As a condition of the use of Law School facilities, the Law School seeks the employer's assurance of its willingness to observe these principles of nondiscrimination. An employer's request to use Law School facilities constitutes that assurance. Employers using the OCS are advised of these policies and procedures, and are assumed to be familiar with the equal employment provisions of federal and state law.
