### **Limited Enrollment Classes & Waitlists**

You must submit an Electronic or Paper Course Registration form to Student Services to register for limited enrollment classes (identified as such in the schedule). Student Services will register students for these classes prioritized by each student's earned hours. Students should submit the Course Registration form to Student Services on the day of their priority registration. Waitlisting for these classes will be prioritized by each student's earned hours. Student Services will notify by e-mail all students who have requested registration in these classes to let them know whether they are registered or waitlisted. If you do not see your registration on [Howdy](#), check your law school e-mail or contact Student Services to inquire about your waitlist status.

**Important message about waitlists:** If you are waitlisted for a class, you must submit a course drop form to be removed from that waitlist. If a seat becomes available at any time and you have not submitted a course drop form, you will be registered for that class accordingly. If a seat becomes available and we cannot register you due to a time conflict or overload, and we cannot reach you, we will move to the next person on the waitlist. Please monitor your e-mail frequently if you are on a waitlist.

### **Enrollment Limits and Enrollment Certification**

Full-time students may take up to 8 credit hours. Part-time students may take up to 6 credit hours. The Associate Dean for Academic Affairs must approve requests for overloads. Such requests are granted only under exceptional circumstances. Students must enroll in a minimum of four credits to be eligible for financial aid.

Students who work more than 20 hours a week may take no more than 6 credit hours, including non-classroom courses such as externship, moot court, and law review. Students enrolled in more than 6 credit hours must certify that they are not employed more than 20 hours per week. Students who increase employment hours during the term must decrease their academic load to part time.

### **Distance Education Learning (online)**

**A student may not earn more than a total of 15 credit hours toward the J.D. degree for approved distance education courses. All distance education courses have a prerequisite of 28 completed credit hours in addition to any other prerequisite.**

**Students are expected to know how to manage computer issues and to have reliable technologies to fulfill course requirements. An up-to-date PC or Mac-based computer with access to high-speed internet is required.**

Courses delivered online may be either synchronous or asynchronous. Synchronous online classes require students and instructors to be online at the same time. Lectures, discussions, chats, etc. occur at a specific time. All students must be online at that specific hour in order to participate.

With asynchronous online courses, lectures, assignments, and other materials are posted online and students may access the material at any time, although the instructor generally sets a definite time period in which students may participate in each online class.

Hybrid courses (also known as blended courses) include both face-to-face classroom meetings and an online component. The online component may be either synchronous or asynchronous.

### **Independent Study**

Independent Study is a one-credit course graded on a pass/fail basis. To receive credit, the student must spend at least 60 hours during the semester in which the student enrolls in Independent Study. Students are responsible for keeping a log of their hours and submitting the log to the supervising faculty member at the end of the semester.

A student may satisfy an independent study by researching and writing a paper of at least 10 pages or reading materials assigned by the sponsoring faculty member. A student may earn no more than two credits through Independent Study.

Students may not enroll in an Independent Study without the consent of a faculty sponsor, who must be a full-time faculty member. The associate Dean for Academic Affairs may approve Independent Study credit with an adjunct faculty member if a full-time faculty member acts as a co-sponsor for the student and reviews the student's work product.

### **Changing Status (Part-Time or Full Time)**

Students who have not completed their lockstep courses may change status only under the conditions set out in Academic Standard 11.1. *Students who have completed their lockstep classes may change status only with the approval of the Associate Dean for Academic Affairs.*

### **Cancellation of Classes**

Classes may be cancelled for low enrollment. This decision is made by the Associate Dean of Academic Affairs.

### **Pass/Fail Election**

You must designate the election of the pass/fail option by submitting an [Electronic](#) or [Paper](#) Pass/Fail Request Form to Student Services no later than Friday, January 20, 2017. You will not be able to elect the pass/fail option when you register online. You must obtain the pass/fail election form from Student Services or the law school web site and submit the completed form to Student Services. To preserve anonymity, students must not communicate a pass/fail election to the professor.

A student may not elect to take a lockstep course, a required course, a course taken to satisfy a rigorous writing requirement, a course taken to satisfy the upper-level oral skills requirement, or a course taken to satisfy the requirements for a certificate program on a Pass/Fail basis, unless the course is offered only on a Pass/Fail basis.

Student Services must first verify your eligibility for pass/fail credit. Please review section 8.5 of the law school's Academic Standards found in the [2016-2017 Student Handbook](#) for rules and limitations on pass/fail credits.

**For students who began law school in or before 2014**, no more than 12 credit hours earned in classes graded on a pass/fail basis may be counted toward the total number of hours required for graduation. Transfer credits are not included in this limit, nor are credits earned for retaking a failed course. Elective classes may comprise not more than 7 credit hours of the maximum 12 credit hours graded as pass/fail. Students may not earn more than 6 pass/fail credit hours in any one activity, such as law review, externship, law clinic, or moot court. Seminars, if taken to satisfy the rigorous writing requirement, may not be taken pass/fail.

**Students who began law school in 2015 or later** may count up to 18 credit hours earned in courses graded on a pass-fail basis towards the total numbers of hours required for graduation and, within those 18 hours, may elect to take up to 3 credit hours of letter-graded courses pass-fail. To receive a P in these elected courses, student will need to receive a C or better. A student who receives below a C will receive the actual grade earned. This does not apply to courses graded only pass/fail.

### **Attendance Policy**

Students on academic probation or academic warning who exceed 15% of the regularly scheduled class meetings (including make-ups) will be administratively withdrawn and receive no credit for the class. Students not currently on academic probation who exceed 25% of the regularly scheduled class meetings (including make-ups) will be administratively withdrawn and receive no credit for the class. Any student withdrawn from a lockstep course will also be withdrawn from law school, pursuant to Academic Standard 5.3. **Attendance requirements in weekend and condensed format classes are explained in the description of the courses.**

Generally, each concentration requires a particular grade point average in at least 16 hours of related, qualifying courses. In addition, there is a skills requirement, as well as a writing requirement for each of the concentrations. Questions about the law school's concentrations, including the course requirements for each, should be directed to the faculty supervisor for the particular concentration:

## Special Topics in International Law: Borderlands Law - Contemporary Legal Issues Relating to the U.S.-Mexico Border

<b>Laredo Course:</b>	<b>LAW-7900-602</b>	<b>CRN 21962</b>
2 Credits	Professor: Stephen Alton	
<b>Laredo Externship:</b>	<b>LAW-7838-603</b>	<b>CRN 21966</b>
4 Credits	Professor: Cecily Becker	

***This course counts toward the experiential requirement.***

In a romantic, literary sense, the U.S.-Mexico borderlands have loomed large in the mythology of Texas. Come experience the power of the borderlands, as the myth collides with the reality of the 21<sup>st</sup> century in Texas A&M University School of Law's collaborative summer program with Texas A&M International University (TAMIU) in Laredo, Texas. Laredo is the largest port of entry in Texas and is the third-largest port of entry in the United States. Laredo's annual import-export trade topped \$280 billion in 2015. Total trade back and forth across the U.S.-Mexico border amounts to almost \$1.5 billion *each day*.

This second year of this collaborative program with TAMIU is structured similarly to last year's. It consists of two parts, totaling six credits over seven weeks. The first part is a two-credit, two-week course called "Borderlands Law," which will meet daily on the campus of TAMIU in Laredo, from May 21, 2017, through June 2, 2017. The course will present a survey of contemporary legal issues relating to the U.S.-Mexico border. Course coverage will be drawn from among the following topics: trade, transportation, business and banking transactions, immigration, border security, crime, human rights, oil & gas, and energy, water, and the environment. The course also will include one or more relevant field trips. The course requires several reflective papers and book reports, some of which will be due on the first day of class, with the others being due at various times during the two weeks of class meetings. The course will enroll students from both TAMU law school and upper-level undergraduates from TAMIU.

The second part of this summer program will be a five-week, four-credit externship placement in Laredo for up to eight TAMU law students, immediately following the two-week Borderlands Law course (June 5 – July 7, 2017). The externship placements will be based on each student's interests. The expected placements will be in governmental and public interest settings, as well as in private law firms. Placements will be made by the professor, taking into account the individual student's preferences.

Preference for enrollment in the Borderlands Law course and the associated Laredo externship will be given to those students who enroll in both courses (i.e., the Borderlands Law course and the Laredo externship).

Enrollment limited to eight (8) law students.

[An application and professor approval are required. No Howdy registration.](#)

**Prerequisites:** Successful completion of all lockstep courses except Constitutional Law is required for the Borderlands Law course and the Laredo summer externship placement. The Borderlands Law course is a prerequisite for the Laredo summer externship.

**Class sessions:** Borderlands Law class meetings will be held at TAMIU in Laredo, Texas.

**Attendance requirements:** Borderlands Law is a condensed "short" summer course that will have all of its class meetings during the weeks of May 22 - June 2, 2017. Students will have classroom sessions, field trips, and/or other activities each day. Students must attend all classes, field trips, and other daily activities to be counted present for that day. Students may miss no more than 1 day (or any class, field trip, or activity in one day). Students with excessive

absences will be withdrawn from the course and receive no credit. A student who is administratively withdrawn from the prerequisite Borderlands Law class will not be eligible to participate in the Laredo summer externship placement.

**NOTE:** Borderlands Law is designed to be an “experiential course” for purposes of Academic Standard 3.5.2; it is a “simulation course.” As an externship, or field placement, the Laredo summer externship placement is an “experiential course” for purposes of Academic Standard 3.5.2.
