CONCENTRATIONS

A concentration requires that students obtain a minimum of 16 credits in core and related courses. Students must achieve a minimum grade point average of 2.33 in each graded course used to satisfy the requirements. Courses offered for a grade may not be taken pass/fail in satisfaction of the requirements. A maximum of two concentrations may be earned. For more information click the concentration link below or visit the [Concentrations](#) webpage on the law school website.

- [Business Law](#)
- [Criminal Law, Justice & Policy](#)
- [Dispute Resolution](#)
